

# Classes & Portfolios

What are they and how can I use them?

Where can I access my class and portfolio?

**1** Select "Classes & Portfolios" from the drop-down in the top right corner

**2** You can also access your classes and portfolios by selecting "View Classes" or "View Portfolios" from the Dashboard.

**3** "Education & Career Planning" is where you will complete your three-year graduation plan.

**TIP!** You can copy posts from your class, to your portfolio! (and/or the other way around).

What is the difference between a class and a portfolio?

## In classes I can...

- ✓ Complete the activities assigned by my teacher
- ✓ View my classmates' and teachers' posts
- ✓ Share my work and get feedback from my teacher
- ✓ Collaborate with my classmates and comment on each other's work

## In portfolios I can...

- ✓ Complete my core competency reflections
- ✓ Set personal and learning goals
- ✓ Post my three-year graduation plan
