

How do I share my portfolio?

Welcome to **Presentation Mode**! A space where you can proudly showcase your learning, reflect on your achievements, and share your growth with teachers, classmates, or family.

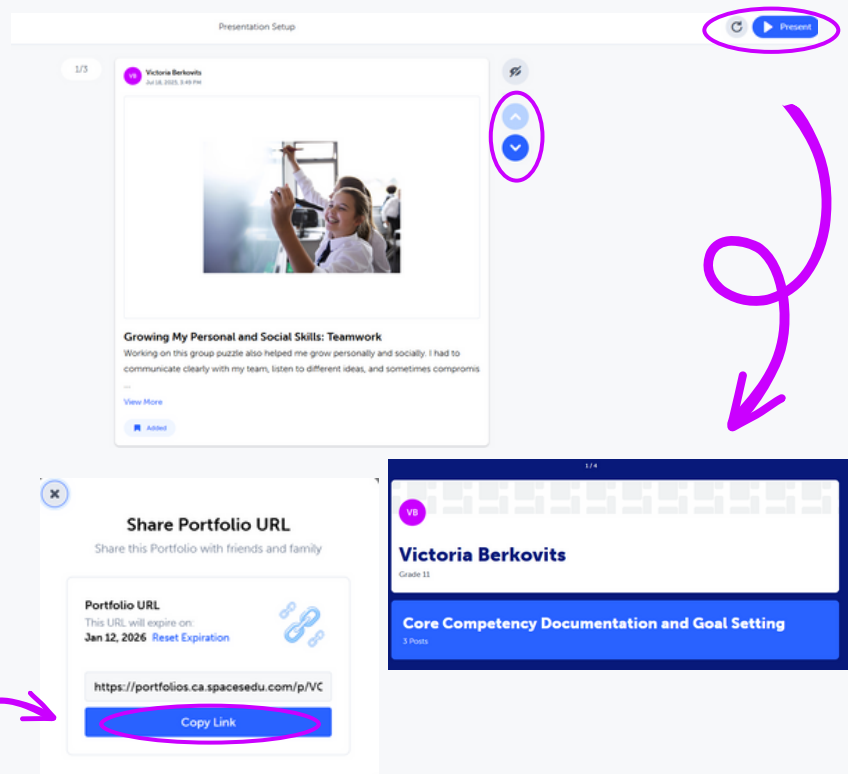

How can I create my portfolio presentation?

1. Click "View Presentation" near the top right of your portfolio to open **Presentation Mode**
2. Choose the posts you want to show by clicking the **bookmark icon** on each portfolio post

How can I edit and present my portfolio presentation?

1. Click the **arrow buttons** to re-order your posts
2. Click "**Reload**" to reset to the original order
3. Click "**Present**" to start your presentation
4. Use the left/right arrow buttons on your keyboard to move between posts

Click this icon on the top right of your portfolio to **share your portfolio using a URL**.
